

Court of Appeals, State of Michigan

ORDER

People of MI v Louis Edward Woodard

Docket No. 356071

LC No. 2019-013357-FH

Douglas B. Shapiro
Presiding Judge

Jane E. Markey

Jane M. Beckering
Judges

The application for leave to appeal is DENIED for lack of merit in the grounds presented.

Presiding Judge

Shapiro, P.J., would remand for resentencing because OV 10 should have been scored at 10 points rather than 15 and the scoring change would place defendant in a different guideline grid.
